

Beumaris RSL Sub Branch

28th November 2017

MEMBERS NEWS

Dear member

Firstly I would like to thank all those who helped, attended and supported this year's Poppy Appeal and Remembrance Day. We hope The Beumaris RSL will continue to host many many more!

As you are aware your committee has been given the job to develop a long term sustainable plan for the future of our sub-branch. This work must be complete by March 2018 and submitted to the State RSL for approval.

As part of this plan the land that we own on the Cnr of Bay and Reserve Rds Cheltenham has been placed on the market. Tenders for the sale closed on the 23rd of November and we are hopeful of an outcome before Christmas.

We will be holding a members forum on the evening of Monday 4th of December at the Beumaris Senior Citizens Club Beumaris 7pm. We will be presenting the options on our future your committee have identified to date and seek feedback.

Thank you to all those who were required to renew this year (those with the original 3 year subscriptions fall due next year). We encourage you to remain financial and adjoined to the planning work for our new home.

I am very pleased to announce that we have secured a new short term home at the soon to be opened Beumaris Sports Club. We will be providing more details soon including an invitation to attend our first Stand To Night which will be held every Wednesday from 6pm with the Ode at 6-30pm.

Lastly we would very much like to see as many of you as possible to the annual Christmas Lunch organised by the Women's Auxiliary. The details are attached and RSVP's would be very appreciative.

As always, we thank you for your continued support of the RSL. We look forward to serving you in the future.

Sincerely,
Clarke Martin
President
Beumaris RSL Sub Branch
